

Information regarding events according to Article 13 GDPR and Article 14 GDPR

1. Processing activities

This privacy notice is relevant for processing your personal data provided to us when registering for our event. We will process the personal data entered by you to process your registration and to communicate with you about the event.

2. Data Controller

AUTOSAR GbR
Niederfeldstrasse 18
85413 Hörgerthausen
Germany
admin@autosar.org
+49 87 64 78 93 99 40

For GDPR requests please contact gdpr@autosar.org.

3. Purpose and legal basis for processing of personal data

Your data will be processed in order to receive your registration for the event and to organize and run the event. Your data will be processed on the basis of Art. 6 (1) (b) GDPR – contract.

We use the platform “Cvent” for our events. In the process, your personal data in the form of the registration and login data are processed. If you participate in the public chat function, ask questions, or respond to polls, we process your personal data contained in your messages, and other participants also have knowledge of this content. If you choose to participate in the feedback survey following the event, we process your personal data contained in your responses.

Please note that photos will be taken and/or videos will be filmed at the event. The organizer will inform you in advance (PRIOR NOTICE), whenever a photo or video will be taken, so that you can decide on your own, whether you want to be pictured or not. It is in the legitimate interest pursued by the AUTOSAR GbR (Art. 6 (1) (f) GDPR) to use photographs and/or videos of the event and/or your person for promotional purposes in its publications (print media, online/website, social media).

For the use of such photos and/or videos we also have obtained consent from you in advance. In this regard, the data is processed on the basis of Art. (6) (1) (c) GDPR – consent.

4. Recipients or categories of recipients of the personal data

Your personal data will be transmitted to: The AUTOSAR Administrator who is in charge of organizing and operating the event, external service providers for organizing and operating the event, cooperating partners, speakers, authorities or other third parties, if required by law or necessary to respond in the course of legal proceedings.

In our Cvent platform, your personal data will be transferred to the service provider. For details on data processing by Cvent, please refer to [Cvent's privacy policy](#).

5. Transfer of personal data to a third country

We do not transfer your data to a third country.

6. Data deletion and storage

Retention periods result from AUTOSAR's retention policy.

7. Users' rights

According to the EU General Data Protection Regulation, you have the following rights:

- If your personal data is processed, you have the right to access the data stored concerning you (Art. 15 GDPR).
- If inaccurate personal data is processed, you have the right to rectification (Art. 16 GDPR).
- If the legal requirements are met, you may request the erasure or restriction of processing as well as object to processing (Art. 17, 18 and 21 GDPR). However, we will then no longer be able to communicate with you as a participant in the event.
- If you have consented to the data processing and the data processing is carried out with the help of automated procedures, you may have a right to data portability (Art. 20 GDPR).

Should you make use of your above-mentioned rights, the AUTOSAR GbR will check whether the legal requirements for this are met. To exercise your rights, please contact gdpr@autosar.org.

All WG Meeting

23rd – 27th March, 2026
Darmstadt, Germany

In the event of data protection complaints, you may contact the relevant authority:

Commissioner's Office:
