Questions for alignment
- What is the purpose of having an exhibition stand at the ELASF in Krakòw?
- What outcomes do you hope to achieve by participating as an exhibitor?
- What motivates your organisation to support initiatives focused on life after stroke?
- How does your organisation's mission align with improving outcomes for stroke survivors?
- Please provide a brief summary of the research or evidence supporting the effectiveness of your product or service for stroke survivors.
- Do you have published studies, clinical trials or user data that demonstrate impact?

Compliance clause
- All promotional materials must comply with Polish advertising laws and event guidelines. Health-related claims must be evidence-based and approved by SAFE.
- All exhibitors must submit insurance and risk assessment documents.

Next steps
To confirm your exhibitor space, complete the application form provided or to discuss options, please contact Arlene Wilkie, arlene.wilkie@safestroke.eu. Your application will be reviewed by the ELASF committee and the SAFE board. Once approved, a detailed exhibitor manual and the risk assessment document will be sent to you.
